July 9, 6:30 p.m. - Circus Finelli performs an interactive show. It is free to members and \$5 for non-members. (The museum is closed during performance.)

## A big Thank You to Heritage Propane for supporting our summer exhibit:

### Summer Science Camps

Everyone is having a blast at the Exploration Works summer camps! Pictured below are some of the kids who participated in the Montana Outdoor Kids class, including a smiling Emily Griffiths in a kayak. There is still room in "Building in the Garden," Urban Science," and "GardenWorks Culinary Camp." All campers get an ExplorationWorks camp T-shirt, compliments of the Bank of the Rockies! Call 457-1800x3 to sign up.

### Mr. Roboto

Capital High Robotics Team brought over some of their competition robots and let kids run them around the museum and outside on the sidewalk. Robotics is really taking off in Helena. Check our website, [www.explorationworks.org](http://www.explorationworks.org), to see what robotics classes Dr. Liz is offering next!

We would like to thank the following people for their help and generous donations for such a fun, successful camp: Mariah Davis, Jennifer Harris of Outdoor Kidfitters, Debbie Anderson, Sam Thompson, Garrett Carlson, Liz Terhune, Rick Taylor, Craig Mar, Shandy Shull of Birds & Beasley's, Capital Sports and Sportsman's Warehouse.
